COMPLETION OF PATENT APPLICATION

The following items are submitted herewith in completion of the above-identified patent application:

- 1. A copy of Notice to File Missing Parts of Reissue Application.
- 2. Response to Notice to File Missing Parts

<u>REMARKS</u>

A Notice to File Missing Parts of Reissue Application mailed on February 14, 2002, states that the Assignee's Statement under 37 CFR 3.73(b) establishing ownership of the patent is missing. This finding is respectfully traversed. Applicants note that a Consent of Assignee was submitted with the original filing of the Reissue application. As evidence of such filing attached hereto is a copy of the stamped postcard from the U.S. Patent and Trademark Office which acknowledges receipt, *inter alia*, of the Consent of Assignee. In addition, attached hereto is a copy of the Consent of Assignee as filed with the original Reissue application on October 31, 2001. This Consent of Assignee included documentary evidence of a change of title from the original owner to the Assignee (i.e., by referring to the reel and frame number of recordation of the Assignment from the inventors to American Home Products Corporation). Applicants also note that this Consent of Assignee was signed by a party authorized to act on behalf of the Assignee. These are the requirements of 37 CFR 3.73(b).

Accordingly, Applicants maintain that the Consent of Assignee in accordance with 37 CFR 3.73(b) has been submitted. Accordingly, Applicants maintain that the Reissue application is complete, and an early indication of such is respectfully requested.

No fee is believed due because the originally filed application was complete. However, the Patent Office is authorized to charge any deficiency up to \$300.00 in the above fees, and to credit any excess, to our Deposit Account No. 4-0100.

Respectfully submitted,

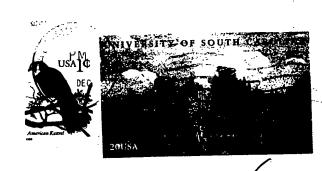

Dated: February 26, 2002
